

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2005 Wisconsin Act 251
[2005 Senate Bill 601]

Designating Use of Insulating Concrete Forms on Standard Building Permits

2005 Wisconsin Act 251 requires the Department of Commerce (DOC) to provide a designation on the standard building permit forms that it prescribes for various types of construction, to indicate whether insulating concrete forms are being used in the construction of the building for which the permit is issued. The Act defines “insulating concrete form” to mean “a hollow expandable polystyrene form that is filled with concrete.”

DOC must provide the designation no later than the first day of the 12th month beginning after April 13, 2006 (the effective date of the Act), except that DOC must provide the designation on all electronic versions of the standard building permit forms no later than the first day of the 2nd month beginning after April 13, 2006.

Effective Date: The Act takes effect on April 13, 2006.
